

CE - RoHS – REACH DECLARATION

This document shall serve as a formal declaration that the items issued from SEWOSY Fire Security product range:

Green manual call points – DMV1C / DMV2C

are in conformity with the applicable requirements according to CE marking.

We also declare that these devices are compliant with the current European **RoHS3** Directive:

- Restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS3) **2015/863/EU**

They also meet current **REACH** safety regulations:

- EC REACH regulation of European Parliament and of Council **N° 1907/2006** and amendments, relating to Registration, Evaluation, Authorisation and Restriction of Chemicals

Haguenau, April 1st, 2022

Julien SCHOETTEL

Chief Operating Officer

A handwritten signature in black ink, appearing to read "Julien Schoettel", enclosed within a thin black rectangular border.
